

The Council of Scientific Excellence

Warsaw, 27th June 2024

Prof. Bogusław Buszewski

Dear Professor,

Thank you very much for inviting us to the ceremony of awarding of the title of Doctor Honoris Causa at the Babes-Bolyai University in Romania to Professor Bogusław Buszewski, PhD. The awarding of such an honorable distinction is undoubtedly proof of the recognition and respect that the scientific community gives to Mr. Professor for his creative and outstanding contribution to the development of broadly understood chemical sciences, especially environmental and analytical chemistry, chromatography, separation techniques and spectrometry. The Professor's scientific achievements have been presented in many significant publications and scientific international journals. The Professor's achievements deserve special recognition as an outstanding specialist in chemical sciences, an excellent academic teacher with merits in promoting and adequately preparing scientific staff, and a friend and educator of many generations of young scientists. Worth emphasizing are the projects undertaken by the Professor as the organizer of activities of the academic community and scientific institutions, as well as active participation in the work of many organizations and commissions and performing various responsible functions, including: Deputy Chairman of the Council for Scientific Excellence, Chairman of the Organic Chemistry Committee of the Polish Academy of Sciences, President of the Central European Group for Separation Sciences (CEGSS).

We consider it a special honor to have the opportunity to cooperate with the Professor as part of the work of the Central Commission for Degrees and Titles and the Council of Scientific Excellence, where, with his knowledge and many years of experience as a scientist, the Professor constantly supported the harmonious and proper development of scientific staff in Poland. Therefore, we ask you to accept, both on our behalf and on behalf of all Members of the Council for Scientific Excellence and all employees of the RDN Office, our highest appreciation and best wishes: good health, every prosperity and only joy and success both in your professional and personal life.

Yours faithfully

President of the Council
of Scientific Excellence

Prof. Dr. Bronisław Sitek

Deputy President of the Council
of Scientific Excellence

Prof. Dr. Grzegorz Węgrzyn

Director of the Office
